

# DAMAGE DOMINO Target System\*

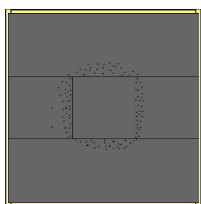

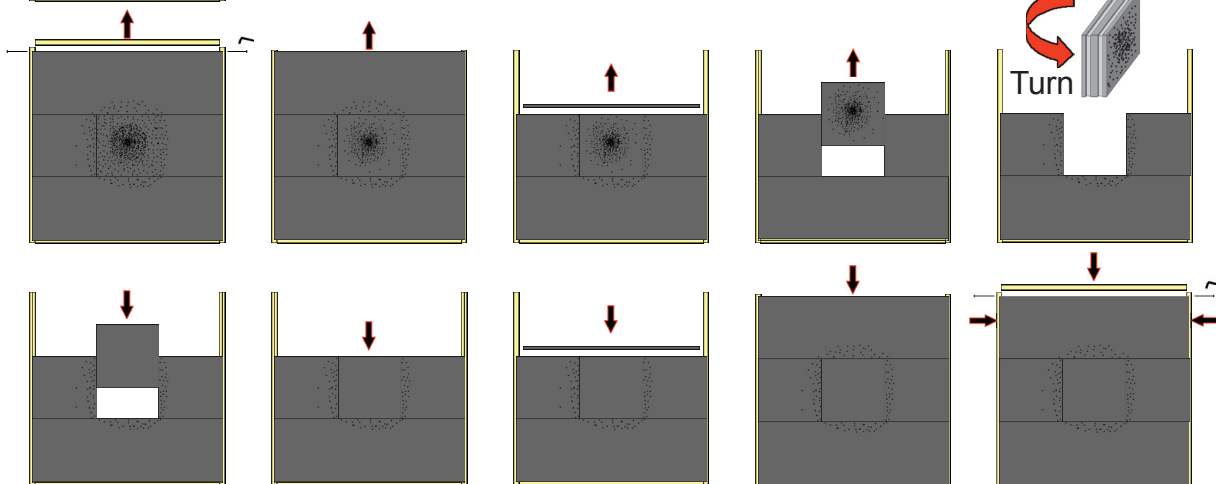

After assembling the target, you are ready to shoot at least 4000 arrows, before having to turn the Centre.

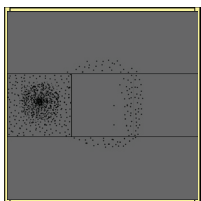

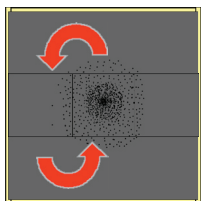

Use a DOMINO Stand for maximum stability.

After 4000 arrows

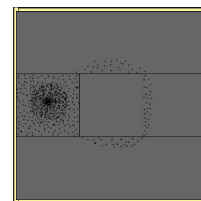

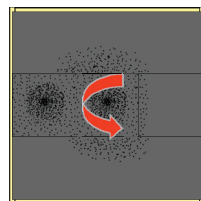

After turning the Centre, at least 2000 arrows can be shot before centre shifting is necessary.

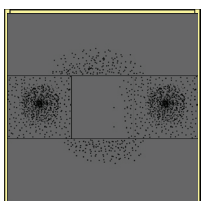

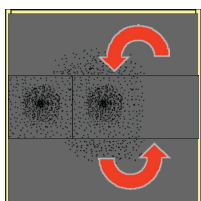

6000

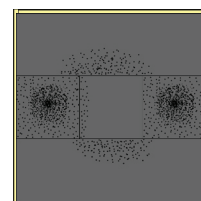

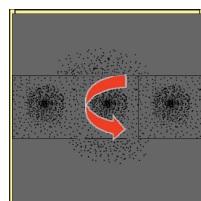

10000

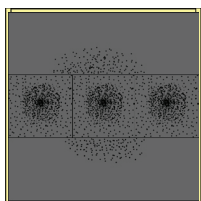

12000

16000

18000

A minimum of 18000 arrows can be shot before you have to replace any parts.
